The Chief Secretary to the
Government of Mysore.

Sir,

Referring to para 2 of the Proceedings of the Government No 8007-10/124 dated 12th Instant, I have the honor to report that there are in this District, 4 Government Chuttrums located in the marginally noted places, and maintained from a monthly grant of Rupees 42-14-. Although two of them, viz: those of Gubbi and Tirukoil, are situated on the line of the Railway they are still of much importance, being resorted to by travellers, and especially by Bhyragees wandering on pilgrimage - I beg therefore

to state that no Chattram can well be conveniently abolished, but if it is imperatively necessary that any should be done away with, the one at Einthin may perhaps be best spared, as there are two or three private Chuttrums here, but I do not advocate the abolition of any one of the four.

3. There are two Chattrams, one at Komarachalli and the other at Haribar on the Shimoga Haribar Road. These also are useful to foot travellers to and from Udipi, Subbramannia & Gondur.

4. The Chattram at Chitaldroog is mostly made available, as per Government orders, to the poor students of the Sanscrit School.

5. The Chattram at Bharamsagar in the Chitaldroog Taluk on the road leading to Davangere from Chitaldroog may be abolished as owing to Railway Communication persons bound for Davangere do not go via Bharamsagar but take the Rail at Holalkere.

Should not the Chattrams be gradually abolished? A great reluctance is exhibited on all sides against the abolition or even partial reduction of allowances payable to these Chattrams while the public feeling is so strong it would be advisable to interfere with the at least for the present as

Sir,

In continuation of this office letter No. 4366. 354 of the 9th August last, I have the honor to state for the information of Government, that the Amildars of Hoskote and Closepet and the Deputy Amildar of Chennapatna, after fully discussing the question in meetings attended by the Municipal Members and the leading Citizens, report that the said Chattrams can neither

be abolished, altogether, nor their allowances reduced by any fraction, however small without denying the numerous travellers the benefit of Government charity. The Sub Division officer agrees in the opinion of the Amildars in his jurisdiction. I have also to call your attention to Major Jacintes (the then Deputy Commissioner) letter No. 297 of 8th July 1886, from which it will be seen that, that officer wished the 3 Chathams to continue. In my opinion, interference with long standing charities like these will eventually lead to claims and questionings which the Government will find it inconvenient and difficult to deal with.

2 I would meet the present demand

from some other sources.

3rd Petition No. 1274 presented by the inhabitants of Chennapatna and forwarded for report with the Memo No. 456 of the 5th Ultimo, is herewith returned, and the Amildar's reports and the Municipal resolutions are also submitted for reference.

I have the honor to be

Sir,

Your most obedient Servant.

From -

To.

The Chief Secretary to the
Dewan of Mysore -

Sir,

In reply to Proceedings No. 11586 & 2465
dated 28th January 1891, I have the honor to state that the question of the proposed reduction of a moiety of the grants now made to the several Chattrams in this District, in favor of the proposed Pilgrims Chattram

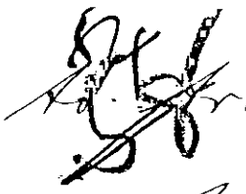
Chittram, was again fully con-
sidered by the several Municipa-
lities and myself - These
charitable institutions, which
have been in existence from
time immemorial, have been
the source of indispensable
convenience to numerous
classes of travellers, and the
introduction of the Railway,
has in no way lessened their
usefulness, as will be, ap-
parent from Major Macmitres'
letter No 297 of 8th July 1886
(Copy enclosed for ready reference).
The members of the several
Municipalities and the Amildars
of the respective Talukas, whose
attention was drawn to the ne-
cessity of the proposed re-
duction, are not in favor of
reducing their allotments - As
a Sub Division Officer, I had
occasion to satisfy myself

as to the unreasonableness of these Chattrams and the necessity of their entire continuance -

2 Mr. Abdul Rahman, it is true, suggested that $\frac{1}{3}$rd or $\frac{1}{2}$ the cost might be transferred, but he promised to finally address the Government on the receipt of opinions from the several Municipalities - Mr. Madhava Row, in this Office letter No. 7585/572 of the 20th November last, fully considered the matter in making a final reply and strongly advocated the continuance of the entire grants -

Under these circumstances, I concur with Major Macaulay and Mr. Madhava Row in submitting, that no reduction from the grants made to the Chattrams in this District, can be effected without causing great inconvenience

to



travellers, many of whom
are poor and needy –

I have the honor to be

Memo.

Subject

Whether any of the Muzrai Chattrams can be abolished or their allowances reduced to provide Funds for the Pilgrim Chattram lately established at Bangalore

I deferred submitting my memo on the subject, till I have personally inspected the working of some of the Chattrams referred to in the Proceedings. This I have done lately, and now proceed to submit my observations in the matter.

2. The object held in view of maintaining these Chattrams is to feed the necessitous Brahmin travellers and distribute rations to Byragees particularly those proceeding on pilgrimages. This object, I regret to say is not fully carried out as the feeding in most of the Chattrams is stopped for nearly 15 days in the month for want of funds, the monthly allowances allotted to them, running out within the first two weeks of the month. The inadequacy of the fund for the feeding charges is caused by the excessive establishment which consumes nearly 50 % of the allowances, and by the prices of provisions having risen much higher than they were in times past.

3. The question that suggests itself for consideration then is, whether owing to the introduction of Railway many of the Chattrams on the old roads have not become practically

useless for travellers and whether they cannot be abolished. No doubt that owing to the opening of the Railway there has been an appreciable reduction in the number of Brahmin travellers resorting to Chattrams, but it did not affect the number of Byragees who generally travel by stages, being too poor to travel by rail.

4. During my inspection of some of the Chattrams, which I did without giving previous notice to the Chattram authorities, I found in each Chattram a few straggling Brahmin travellers and hordes of starving Byragees awaiting to be fed; and even for this limited number, the funds are insufficient to keep the Chattram going during the whole of the month. Sudden abolition of any of these Chattrams or diversion to other purposes any portion of its allowances will cause much public dissatisfaction and suffering.

5. I shall shortly prepare a scheme and lay before the Government to place these Institutions on a more satisfactory footing. In the meantime I will not recommend the abolition of any of these Chattrams.

6. To come to the point which immediately concerns us at present — whether any reduction in the Chattram allowances can be made to provide funds for the Pilgrim Chattram lately established at Bangalore

7. The designation "Pilgrim Chattram" is simply a Euphemistic expression. It is in

reality a "Cholera Hospital" available for cases of Cholera or infectious diseases occurring in the City of Bangalore as well as for such occurring amongst the Pilgrims." (Vide Senior Surgeon's letter No. 1268 dated 12th June 1891).

8. I therefore venture to suggest that cost of this Institution should be met from the Municipal and District Funds, and no portion of it is chargeable to Chattram funds, providing medical treatment to the travellers or townspeople being no part of the Chattram Scheme.

The entire File is herewith resubmitted.
